## **Academic Progress Achievement Awards for Engineering & Computer Science Majors**

<http://www.csun.edu/ecs>

The College of Engineering and Computer Science is committed to encouraging students to complete their degree requirements in a timely manner. A Medallion Award Program has been created for all CECS students. There are two types of awards: the Silver Award and the Gold Award. These awards will be granted every year in the fall semester. To apply for the award: fill in the application form (available on line or in the CECS Student Services Center), attach a copy of your unofficial transcript, and submit all materials to the CECS Student Services Center (JD 1501) by the deadline of September 25, 2009.

### **Who is eligible for the Silver Award?**

1. Student must have declared a major in CECS before the time of application.
2. Student's CSUN G.P.A. must be  $\geq 2.0$ .
3. Student must have successfully completed 25 - 31 units of course requirements for the degree program (including G.E. courses) during the prior academic year (Fall 08 through Summer 09 terms) with a G.P.A.  $\geq 2.0$  each term.

### **Who is eligible for the Gold Award?**

1. Student must have declared a major in CECS before the time of application.
2. Student's CSUN G.P.A. must be  $\geq 2.0$ .
3. Student must have successfully completed at least 32 units of the course requirements for the degree program (including G.E. courses) during the prior academic year (Fall 08 through Summer 09 terms) with a G.P.A.  $\geq 2.0$  each term.
