

Gradebook for SOC497 Sp25 w/ Godard, Page 1 - INTRODUCTION

This is an explanatory guide to the pages that follow. Read it before proceeding.

I've already entered grades for 1038 quizzes, and recorded 10 marks for attendance.

I expect the 46 students to submit at least 1012 labs, 276 homeworks, and 92 exams.

Of those, students have so far submitted 1031 labs (102%), 361 homeworks (131%), and 89 exams (97%).

Of those, I have so far entered grades for 1031 labs (100%), 361 homeworks (100%), and 89 exams (100%),

Including quizzes and attendance, I've entered 2577 grades for the 2577 items submitted (100%), & the other 0 are on the way!

GRAY? -- Your entire row is gray, on every page, if I don't have a phone number & headshot for you, or if you

have not completed the intake form AND given permission for your data to be presented here. You are NOT required to do so.

DROPS -- I drop the 3 lowest lab grades, 3 lowest homeworks (except for ones with cheating), and 3 lowest quizzes.

PAGE 2 -- OVERVIEW

"Grade so far" is total of credit earned towards 100 total points. (Remember that percentages are parts of 100. Aceing a homework worth 4% earns Yellow cells are more than 2 std deviations below the mean.

PAGE 3 -- ATTENDANCE

There's a column for each date with a class held. Ideally you used a clicker (indicated with a C).

If you didn't but signed the roll, there's an R. If you didn't do either of those, there's an N (an absence).

PAGE 4 -- QUIZZES

There's a column for each date with a quiz. A number there indicates the number of questions (of 5) that you missed.

For dates with light blue (rather than red) headers, there was an error with my clicker data;

If you document a valid excuse from attendance & lab, you will get for that quiz, the average of your remaining quizzes

If you only signed in, you get 5; if you clicked in, you get the average of remaining quizzes.

A green square means you signed the roll, or that I goofed somehow and so had to give everyone credit.

A tan square is an excused absence, for which you receive the average of your previous quizzes.

A red square means no quiz grade, no roll signed, and no excuse - and a zero for the quiz for that date.

PAGE 5 -- HOMEWORK ASSIGNMENTS

For each homework assignment, there are three visible columns (and three other hidden ones, doing math behind the scenes):

On time work is 0 Days Late. Early work is late a negative number of days. Remember, work is due at the START of class!

The "Missed" points is shown raw, then adjusted for the minimum, maximum, and range of points missed by the entire class.

The "grade" adjusted based on a factor that takes into account the mean, median, and standard deviation of points missed on that assignment by everyone in the class (see the very bottom row, below mean and std. dev.)

Grades are not based on "total points" or % correct. They are standardized to the mean & standard deviation of points missed,
and are provisional, subject to adjustment w/ any grading corrections or late submissions.

Orange zeroes are awarded for work which is either insufficient for grading (n/c) or clearly represents academic dishonesty (n/a).

PAGE 6 -- LAB ASSIGNMENTS

Lab Grade is a simple average of 0 for missed lab or insufficient work, 70 for minus, 80 for check, and 90 for plus, plus 5pts per secretary.

Symbols are +, check, or - for grades, x for unsubmitted work, circled x for insufficient or plagiarized work, and slash for excused labs.

Lab cells are green and bold if you were the secretary. Note that secretaries must be designated upon submission, not once they're graded!

A hand means that I have yet to enter that lab grade. That's me waving.
