

Homework #4

Please answer the following question on a separate piece of paper. Please use a typewriter or wordprocessor and make sure you double-space & have at least a 1" margin. Please limit your answer to no more than two pages.

What might be some of the issues involved in conducting a diagnostic interview with an elderly patient? Use resources from your book and outside class to describe some of the difficulties you might face in interviewing an elderly client and discuss how you might go about working around these difficulties.
