

Rough Draft Review Form (Creating a Myth)

Please read your partner's myth, making suggestions in the margins and marking any stylistic/grammatical errors. Then answer the following questions.

1. Briefly describe the main point of this myth. Does it answer an "enduring or fundamental human question"? Does it explain an archetypal human or natural phenomenon? Be as specific as possible.
2. Are any aspects of this myth confusing? Please be as specific as possible.
3. What is the strongest aspect of this myth?
4. What is the weakest aspect of this myth?
5. What is one specific thing the author could do to make this myth better?
6. On a scale of 1-10 (10 being highest) how would you rate the originality of this myth?
7. On a scale of 1-10 (10 being highest) how would you rate the pervasiveness of this myth in contemporary society?
8. On a scale of 1-10 (10 being highest) how would you rate the author's ability to engage you?
