My Dear Friends,

I'm proud to be your President! I'm proud to volunteer/participate side-by-side with a group of delightful and dedicated members. We are a small group of "Movers & Shakers" that puts together book sales every other month -- book sales that raise money that helps to buy books, DVD's, and other materials to keep the Granada Hills Library bookshelves filled.

I love to see the special programs hosted at the library for our community. And I love the fact that OUR Friends group sponsors several of the programs every year.

Now, this year the Nominating Committee has asked me to be President -- again -- for next year. I am very honored to be asked and look forward to improving my leadership skills -- and delegating to "you-all" more efficiently and effectively so that we can become an even stronger and better group.

N-O-W!! I need your help! The By-Laws Committee has just put together some really "NEAT" job descriptions! (Always open for upgrading and/or changes.) This year one Board position is still open -- 1st V.P. (The job description is included in this newsletter.) WE, (Friends) and especially "I", need it filled! because it will make MY job easier -- and help ME live longer!!

And truly, filling this will make a better management team for our Friends group.

The position is really not that overwhelming -- and will actually provide someone with a tremendous satisfaction in contributing to the future and continuation of free library services to all.

I need you. Our Friends group needs you.

If you want to consider this position, but have a few questions, I'll try to answer as best I can. So, C'mon -- "gimme" a call.

Yours for FREE LIBRARY SERVICES.

Mary S., President

## It's Happening at the Library!

by Pam R., Senior Librarian

Have you been inside the library lately? We're exciting! We're bustling! Adults are here in the morning hours using computers to prepare resumes, apply for jobs, check emails, do online shopping, conduct research, catch up on the news, and learn how to use the Internet. Preschoolers are here in the morning hours listening to library volunteers read stories. Students come in after school to complete homework, play on computers, and find reading material. Preschoolers and parents come to evening pajama story times. Families come to evening and Saturday special entertainment and educational programs. Adults come to share their thoughts and opinions of the books they've read! Of course, everyone comes in search of a good book, DVD or music CD. We are vibrant and a light in the community!

But with city budget shortfalls is our light threatened? For the first time in 140 years, the library has experienced severe cuts in service hours. In the last 12 months, library hours have been cut three times. Our future service hours are currently uncertain. Measure L on the March 8<sup>th</sup> ballot is one way to guarantee that the library's share of the city budget is sufficient to restore and sustain the levels of service we have provided historically. Measure L will allow us to continue to purchase materials for our collection. Currently LAPL ranks last in per capita spending on library materials among the 8<sup>th</sup> largest U.S. libraries. Measure L will allow us revenue to cover the direct and indirect costs to the library. Measure L will gradually increase the minimum funding guaranteed by the City Charter to the library. It is not a **new** tax! It does not require residents or property owners to pay more taxes or fees.

Since 1878, the City Charter has had a provision guaranteeing library funding. The amount of that guarantee has been updated five times during the past 130 years. The last time this guarantee was altered was over 10 years ago. Currently, the Library receives less than 2% of the City's general fund. There is no way to know how the budget would be redistributed if the charter is amended -- the Mayor and City Council will make that tough call, which they do every year as part of the annual budget process.

March 8<sup>th</sup>, 2011 is the Citywide election. Don't forget to vote!

Pam R.  
Senior Librarian

## Giving to the Friends of Granada Hills Library

by Renee Z.

Happy New Year, Friends,

We have 31 households participating in the Community Partners Program. Thank you, everyone, who has swiped their card at Ralphs. Thank you to everyone who has asked a friend to sign up for this program.

Ralphs Community Partners' contribution to the Friends of the Granada Hills Library for the first quarter was \$228.91. This is for the months of September through November, 2010.

The Food 4 Less contribution was \$3.64. Since it is under \$25, our check will be mailed when our total reaches \$25. As of now we have 3 households signed up for Food 4 Less.

Please see me if you need more information or a Food 4 Less card.

Respectfully submitted,

Renee Z.
