

## MeetingMaker 8.5 Setup Instructions:

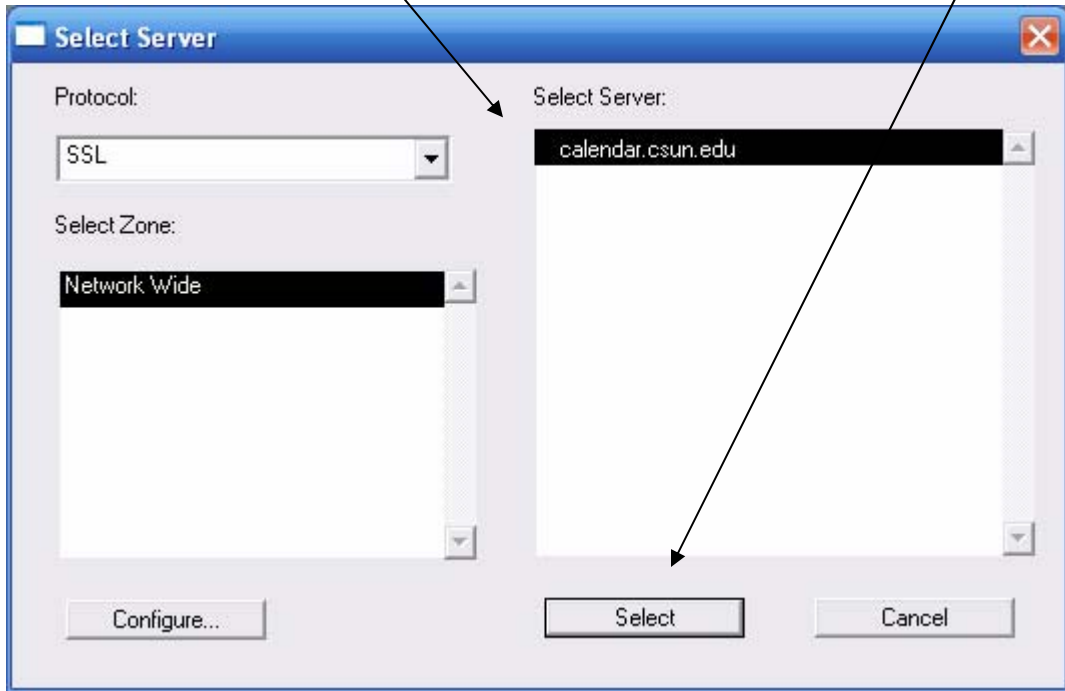

1. Launch MeetingMaker
2. In login window, type:
  - Name:** (your csun/portal ID)
  - Password:** (your csun/portal password)

3. Click on the "Select" button:
  - 'Select Server' window will open
  - Under *Protocol* (left hand side), click on the arrow, and select **SSL**

4. After choosing TCP, wait for a few second, 'calender.csun.edu' will appear on the right hand side of the window. Click '**calendar.csun.edu**', and click the "**Select**" button.

5. At this point, click the '**Sign In**' button.
