

Math 262 – INTRODUCTION TO LINEAR ALGEBRA

Fall 2004

Monday and Wednesday, 19:00-20:15, JR214

- Instructor:** Dr. Rabia Djellouli
- Office:** FOB (Faculty Office Building) Room 121
- Office Phone:** (818) 677-5867 (24 hours voice mail)
- Departmental Phone:** (818) 677-2721
- Email:** Rabia.Djellouli@csun.edu
- Office Hours:** Monday, Wednesday, 10:00–11:00, and by appointment.
- Textbook:** **Linear Algebra with Applications**, 2nd Edition, by O. Bretscher, Prentice H., 2001.
- Topics Covered:** From Chapter 1 to Chapter 7.
- Exams:** There will be three in-class tests (Tentative Schedule: September 29th, November 3rd, and November 24th) and a comprehensive exam (Monday, December 6th, 2004, 17:30–19:30). All exams are closed book. The lowest midterm score will be dropped. There will be no make up exams.
- Homework:** Please refer to the *Homework Assignments Schedule* for the due date. You can work in groups, but you must turn in your own write-up. Your lowest three homework scores will be dropped. No late homework is accepted.
- Quizzes:** Quizzes may be introduced to help the class to keep-up.
- Grading Scheme:**
- 100 points – homeworks + quizzes
 - 100 points – each midterm
 - 200 points – Final exam
 - 500 points – Total Score
- Religious Conflicts:** Students who have conflict between religious observance dates and course examinations or assignments, please contact me before September 22nd, 2004.
- Important Date:** October 15th, 2004 is the last day for dropping your class.
