

# Sara R. Berzenski

## Contact Information

---

California State University, Northridge  
Department of Psychology  
18111 Nordhoff St.  
Northridge, CA 91330-8255  
Phone: (818) 677-2814  
Email: sara.berzenski@csun.edu  
Website: www.csun.edu/~sarab

## Education

---

- 2013 Ph.D., Developmental Psychology, University of California, Riverside, CA  
Dissertation "Adversity and regulatory processes in preschool children:  
Impact on psychosocial adjustment" (advisor, Tuppett M. Yates, Ph.D.)
- 2009 M.A., Developmental Psychology, University of California, Riverside, CA
- 2003 B.A., Psychology (minor: English), University of Pennsylvania  
Dean's List, magna cum laude

## Academic Appointments

---

- 2013 – Present California State University, Northridge  
Assistant Professor, Department of Psychology

## Grants and Fellowships

---

- 2018 College of Social and Behavioral Sciences Research Grant, California State University, Northridge "Physiological Contributions to Dyadic Concordance and the Socialization of Emotion Understanding"
- 2018 College of Social and Behavioral Sciences Summer Stipend, California State University, Northridge "Dyadic Concordance, Familial Unpredictability, and the Socialization of Emotion Understanding"
- 2017 College of Social and Behavioral Sciences Research Grant, California State University, Northridge "Emotion Socialization in Unpredictable Family Contexts: Associations with School-Age Children's Emotion Understanding"
- 2017 College of Social and Behavioral Sciences Summer Stipend, California State University, Northridge "Differential Influences of Maltreatment Subtypes on Emotional Development"
- 2016 Faculty Development Competition for Attending Teaching Conferences
- 2015 College of Social and Behavioral Sciences Summer Stipend, California State University, Northridge "Behavioral and Emotional Control and Adjustment Across Development"
- 2014 College of Social and Behavioral Sciences Research Grant, California State University, Northridge "Behavioral Control and Adjustment Study"

- 2014 College of Social and Behavioral Sciences Summer Stipend, California State University, Northridge “Determinants and Consequences of Physiological Dysregulation in Early Childhood”
- 2013 New Faculty Research Support Grant, California State University, Northridge “Early Life Adversity the Development of Self Regulation”
- 2011 – 2013 National Institutes of Health National Research Service Award (NIH-NRSA) “Adversity and Regulation in Preschool Children: Impact on Psychosocial Adjustment” (F31MH092060; \$32,833/year)
- 2007 – 2008 Chancellor’s Distinguished Fellowship Award, UC Riverside (\$31,886)

### Awards

---

- 2016 CSUN Exceptional Levels of Service to Students Award
- 2012 UC Riverside Graduate Research Award
- 2009 National Science Foundation Graduate Research Fellowship Honorable Mention

### Publications

---

Ruvalcaba, O., Shulze, J., Kim, A., **Berzenski, S.R.**, & Otten, M.P. (2018). Women’s experiences in eSports: Gendered differences in peer and spectator feedback during competitive video game play. *Journal of Sport & Social Issues*.

### **Manuscripts Under Review**

---

\*denotes student author

**Berzenski, S.R.**, Madden, A.R., & Yates, T.M. (Accept pending minor revisions). Childhood emotional abuse characteristics moderate associations with adult psychopathology and caregiving. *Child Abuse & Neglect*.

Bennett, D., **Berzenski, S.R.**, Merlino, E., Schindler, B., & Lewis, M. (Under review). Self-conscious emotions as predictors of treatment readiness among women entering drug treatment. *Addictive Disorders and Their Treatment*.

### **Manuscripts in Progress**

---

\*denotes student author

**Berzenski, S.R.** & Yates, T.M. (In progress). A transactional model of emotion and behavior regulation across early childhood.

**Berzenski, S.R.** (In progress). The when and who of graduation and dropout predictors: A moderated hazard analysis.

Rudd, K., **Berzenski, S.R.**, Alkon, A., Yates, T.M. (In progress). Implications of physiological and behavioral regulatory concordance for adjustment in young children.

\*Ueno, L.F., & **Berzenski, S.R.** (In Progress). Associations between ADHD Type and Frequency of Substance Use.

\*Cruz, A., & **Berzenski, S.R.** (In Progress). Functional Psychopathy: Potential Distinguishing Factors.

\*Li, T., **Berzenski, S.R.**, & Yates, T.M. (In progress). Indirect effects of cardiovascular recovery and coping strategies on school performance.

\*Navarro, C., & **Berzenski, S.R.** (In progress). Evaluating profiles of adverse life experiences and their effect on mental health outcomes among emerging adults: A person-centered analysis.

\*Navarro, C., **Berzenski, S.R.**, & Yates, T.M. (In progress) Sexual abuse and internalizing in foster youth: The role of family support and placement instability.

\*Tokadjian, H., **Berzenski, S.R.** (In progress). Distinct relations between risk, attachment, and socioemotional functioning: A structural equation model.

## Presentations

---

\*denotes student author

Crandell, C.J., **Berzenski, S.R.**, & Yates, T.M. (Under review) Indirect Effects of Perceived Service Helpfulness and Instrumental Support on Life Satisfaction Among Emancipated Foster Youth as a Function of Locus of Control and Self-efficacy. Poster submitted for presentation at 2018 Association for Psychological Science annual convention, San Francisco, CA.

**Berzenski, S.R.**, & Grolnik, W.S. (Accepted). Coping in context: Situation specific emotional responses as determinants of adjustment. Chair, Symposium submitted for presentation at 2018 American Psychological Association annual convention, San Francisco, CA.

**Berzenski, S.R.** (Accepted). Regulation in the context of emotionality subtypes differentiates internalizing psychopathology. Paper submitted for presentation at 2018 American Psychological Association annual convention, San Francisco, CA.

\*Crandell, C.J., & **Berzenski, S.R.** (Accepted). Emotion understanding moderates the association between relational adversity and emotion regulation. Poster submitted for presentation at 2018 American Psychological Association annual convention, San Francisco, CA.

\*Grosz, C., & **Berzenski, S.R.** (Accepted). Maternal history of childhood emotional abuse influences perceptions of parenting. Poster submitted for presentation at 2018 American Psychological Association annual convention, San Francisco, CA.

\*Hakakian, H.H., & **Berzenski, S.R.** (Accepted). Pathways from childhood trauma to somatization among diverse ethnic groups. Poster submitted for presentation at 2018 American Psychological Association annual convention, San Francisco, CA.

\*Hwang, K.H., **Berzenski, S.R.**, & Yates, T.M. (Accepted). Narrative coherence predicts social competence development as mediated by emotion regulation. Poster submitted for presentation at 2018 American Psychological Association annual convention, San Francisco, CA.

\*LaSalle Castro, R.A., & **Berzenski, S.R.** (Accepted). Complementary enhancing and degrading effects of environmental risk on cognitive flexibility. Poster submitted for presentation at 2018 American Psychological Association annual convention, San Francisco, CA.

\*Li, T., & **Berzenski, S.R.** (Accepted). The influence of suppressive emotion regulation on the coherence of childhood memory. Poster submitted for presentation at 2018 American Psychological Association annual convention, San Francisco, CA.

\*Navarro, L., & **Berzenski, S.R.** (Accepted). Parental emotional expressiveness: Attachment and emotional awareness predict social acceptance. Poster submitted for presentation at 2018 American Psychological Association annual convention, San Francisco, CA.

\*Oleskowicz, T., & **Berzenski, S.R.** (Accepted). Maltreatment chronicity and personality disorders: Contributions of physiology and emotion. Poster submitted for presentation at 2018 American Psychological Association annual convention, San Francisco, CA.

\*Rawlins, J.N., **Berzenski, S.R.** (Accepted). Coping strategies among emancipated foster youth: Contributions of placement timing and type. Poster submitted for presentation at 2018 American Psychological Association annual convention, San Francisco, CA.

\*Ueno, L.F., & **Berzenski, S.R.** (Accepted). ADHD symptomatology moderates the relation between childhood abuse and adult substance use. Poster submitted for presentation at 2018 American Psychological Association annual convention, San Francisco, CA.

\*Wess, R.E., & **Berzenski, S.R.** (Accepted). Maternal Antisocial Personality Disorder traits and child self- and other-representation. Poster submitted for presentation at 2018 American Psychological Association annual convention, San Francisco, CA.

\***Areguin, M.A.**, Huynh, Q.-L. & Berzenski, S.R. (Accepted) *Reaping More than What They Sow: A Critical Race Perspective on Environmental Microaggressions toward Latina/o Farm Workers*. Paper to be presented at the annual meeting of the Psychological Study of Social Issues, Pittsburgh, PA.

\*Tokadjian, H., & **Berzenski, S.R.** (2017). Gender differences in the influence of peer and mother attachment relationships on young adult emotion regulation. Poster presented at 2017 Association for Psychological Science annual convention, Boston, M.A.

\*Wess, R., & **Berzenski, S.R.** (2017). Over-control as a protective factor: The effects of child maltreatment on Borderline Personality Disorder. Poster presented at 2017 Association for Psychological Science annual convention, Boston, M.A.

**Berzenski, S.R.**, \*Wess, R., Yates, T.M. (2017). The development of empathy in child maltreatment contexts: The role of self and parent representation. Poster presented at 2017 Society for Research in Child Development Biennial Meeting, Austin, TX.

**Berzenski, S.R.**, \*LaSalle Castro, R.A., \*Li, T. (2017). Social development in impoverished contexts: The role of household poverty, neighborhood risk, and impulsivity. Poster presented at 2017 Society for Research in Child Development Biennial Meeting, Austin, TX.

\*Galindo, J., \*Navarro, C., **Berzenski, S.R.** (2017). Teen parenting and the influence of associated contextual risks on child conduct problems. Poster presented at 2017 Society for Research in Child Development Biennial Meeting, Austin, TX.

\*LaSalle Castro, R.A., **Berzenski, S.R.** (2017). The development of inhibitory control: Negative emotionality, anxiety, and the protective influence of executive functioning. Poster presented at 2017 Society for Research in Child Development Biennial Meeting, Austin, TX.

\*Navarro, C., \*Galindo, J., **Berzenski, S.R.**, Yates, T.M. (2017). Configurations of risk and their differential impact on psychopathology among ethnic groups: A latent class analysis. Poster presented at 2017 Society for Research in Child Development Biennial Meeting, Austin, TX.

\*Navarro, L., **Berzenski, S.R.** (2017). Children's pathways to school competence: Parental substance use, relationship quality, and coping skills. Poster presented at 2017 Society for Research in Child Development Biennial Meeting, Austin, TX.

\*Ueno, L., **Berzenski, S.R.** (2017). Effects of caregiver substance abuse and corporal punishment on childhood ADHD symptoms. Poster presented at 2017 Society for Research in Child Development Biennial Meeting, Austin, TX.

\*Wess, R., **Berzenski, S.R.**, Yates, T.M. (2017). A pathway from childhood neglect to low academic performance: The role of social support for low income children. Poster presented at 2017 Society for Research in Child Development Biennial Meeting, Austin, TX.

\*Li, T., **Berzenski, S.R.** (2016). Indirect effects of cardiovascular recovery and coping strategies on school performance. Poster presented at 2016 American Psychological Association Annual Convention, Denver, CO.

\*Crandell, C., **Berzenski, S.R.** (2016). Social support as a predictor of maternal hostility in mothers with a history of neglect. Poster presented at 2016 American Psychological Association Annual Convention, Denver, CO.

\*Navarro, C., **Berzenski, S.R.** (2016). Sexual abuse and internalizing in foster youth: The role of family support and placement instability. Poster presented at 2016 American Psychological Association Annual Convention, Denver, CO.

\*Tokadjian, H., \*Miller, T.J., **Berzenski, S.R.** (2016). Is persistence governed by emotions? A latent transition analysis investigating the unique influences of affect on perseverance. Poster presented at 2016 Society for Personality and Social Psychology Annual Convention, San Diego, CA.

\*Galindo, J., \*Navarro, C., **Berzenski, S.R.**, Yates, T.M. (2015). An investigation of intergenerational transmission of criminality and concurrent maltreatment risk. Paper presented at 2015 American Psychological Association Annual Convention, Toronto, Ontario, Canada.

\*Navarro, C., \*Galindo, J., **Berzenski, S.R.**, Yates, T.M. (2015). Indirect effects of parental violence and avoidance coping on adjustment among Hispanic children. Poster presented at 2015 American Psychological Association Annual Convention, Toronto, Ontario, Canada.

**Berzenski, S.R.**, Yates, T.M. (2015). The differential timing of familial and individual influences on the development of emotion knowledge across early childhood. Poster presented at 2015 Society for Research in Child Development biennial meeting, Philadelphia, PA.

**Berzenski, S.R.**, Yates, T.M. (2015). Features of childhood emotional abuse experiences differentially predict adult outcome domains. Poster presented at 2015 Society for Research in Child Development biennial meeting, Philadelphia, PA.

Rudd, K., **Berzenski, S.R.**, Yates, T.M. (2015). Respiratory sinus arrhythmia moderates the association between child reported neglect and adjustment. Poster presented at 2015 Society for Research in Child Development biennial meeting, Philadelphia, PA.

\*Tokadjian, H., **Berzenski, S.R.**, Yates, T.M. (2015). Difficult infancy predicts emotion dysregulation and problematic social adjustment: An investigation of parenting behaviors. Poster presented at 2015 Society for Research in Child Development biennial meeting, Philadelphia, PA.

\*Tokadjian, H., **Berzenski, S.R.**, Yates, T.M. (2015). The influences of prenatal substance exposure and infant soothability on social development. Poster presented at 2015 Society for Research in Child Development biennial meeting, Philadelphia, PA.

**Berzenski, S.R.**, Yates, T.M. (2014). Differential pathways from hostile parenting to child psychopathology: Physiological and emotion regulation. Poster presented at Association for

Psychological Science annual convention, San Francisco, CA.

\*Tokadjian, H., **Berzenski, S.R.**, Yates, T.M. (2014). Parenting behaviors and parental psychopathology influence child cardiac functioning. Poster presented at Association for Psychological Science annual convention, San Francisco, CA.

**Berzenski, S.R.**, Alkon, A., Yates, T.M. (2013). Implications of physiological and behavioral regulatory concordance for adjustment in young children. Paper presented at 2013 Society for Research in Child Development biennial meeting, Seattle, WA.

**Berzenski, S.R.**, Yates, T.M. (2013). A microgenetic dynamic systems analysis of temporal relations among domains of early childhood regulation. Poster presented at 2013 Society for Research in Child Development biennial meeting, Seattle, WA.

\*Leshin, J., \*Kafka, C.J., **Berzenski, S.R.**, Yates, T.M. (2013). A contextual view on children's aggression and physiological response. Poster presented at 2013 Society for Research in Child Development biennial meeting, Seattle, WA.

Grey, I.K., Aaron, L., **Berzenski, S.R.**, Yates, T.M. (2012). Coping in context: The role of resource availability on coping effectiveness among emancipated foster youth. Paper presented at 2012 Society for Research in Child Development Themed Meeting: Transitions from Adolescence to Adulthood, Tampa, FL.

**Berzenski, S.R.**, Yates, T.M. (2011). Differential effects of environmental, relational, and biological adversity on autonomic regulation in young children. Poster presented at National Academy of Sciences Arthur M. Sackler Colloquium: Biological Embedding of Early Social Adversity: From Fruit Flies to Kindergarteners, Irvine, CA.

**Berzenski, S.R.** (2011). The differential salience of coping mechanisms in variable risk contexts. Poster presented at 2011 Society for Research in Child Development biennial meeting, Montreal, Quebec, Canada.

\*Awad, P.J., \*Dalusag, R.E.C., **Berzenski, S.R.**, Yates, T.M. (2011). Maladaptive cognitive processes in preschool children: The influence of maternal psychopathology. Poster presented at 2011 Society for Research in Child Development biennial meeting, Montreal, Quebec, Canada.

\*Dalusag, R.E.C., \*Awad, P.J., **Berzenski, S.R.**, Yates, T.M. (2011). The impact of paternal presence and separation in early childhood. Poster presented at 2011 Society for Research in Child Development biennial meeting, Montreal, Quebec, Canada.

**Berzenski, S.R.**, Yates, T.M. (2010). Multiple maltreatment: A latent class analysis. Paper presented at 2010 American Psychological Association Annual Convention, San Diego, CA.

\*Sampayan, C., \*Quiroz, C., \*Morales, E., **Berzenski, S.R.**, Yates, T.M. (2010). Attachment, conflict, and emotion regulation: A case for moderation. Poster presented at American Psychological Association Annual Convention, San Diego, CA.

\*Unzueta, A., **Berzenski, S.R.**, Yates, T.M. (2010). The influence of media standards and social inequality on the female self system. Poster presented at American Psychological Association Annual Convention, San Diego, CA.

**Ragland, S.**, \*Concepcion, R., \*Javaid, N., & Yates, T.M. (2009). Risk and protective cognitions in children of depressed mothers. Poster presented at 2009 Society for Research in Child Development biennial meeting, Denver, CO.

**Ragland, S.**, \*Abalde, N., \*Unzueta, A., Yates, T.M. (2009). Home visitation with families at risk for child maltreatment: Preventing parenting stress. Poster presented at 2009 Society for Research in Child Development biennial meeting, Denver, CO.

Bennett, D., Marini, V., **Ragland, S.**, Lewis, M. (2009). Reactive and proactive antisocial behavior in middle-childhood as a function of prenatal cocaine exposure. Poster presented at 2009 Society for Research in Child Development biennial meeting, Denver, CO.

Bennett, D., Mohamed, F.B., Carmody, D.P., Thuahnai, S., **Ragland, S.**, Patel, S., Faro, S., & Lewis, M. (2007). Emotional reactivity in children prenatally exposed to tobacco: An fMRI study. Poster presented at Organization for Human Brain Mapping Annual Conference, Chicago, IL.

**Ragland, S.**, Bennett, D., Merlino, E., Schindler, B. (2007). Environmental pressures as predictors of treatment readiness among women entering drug treatment. Poster presented at 2007 Eastern Psychological Association Conference, Philadelphia, PA.

Bennett, D., **Ragland, S.**, Herres, J., Sullivan, M., & Lewis, M. (2007). The ability of parenting scales to identify mothers with a history of neglect: a comparison of three measures. Poster presented at 2007 Eastern Psychological Association Conference, Philadelphia, PA.

Bennett, D., **Ragland, S.**, Merlino, E., Schindler, B., & Lewis, M. (2006). Self-conscious emotions as predictors of treatment readiness among women entering drug treatment. Poster presented at 18th annual Association for Psychological Science Convention, New York, NY.

### Professional Presentations

---

**Berzenski, S.R.** (2015). Contextual influences on the development of emotion competence. Presentation given at Pierce College Brown Bag Series, Los Angeles Pierce College.

**Berzenski, S.R.** (2012). Differential effects of environmental, relational, and biological adversity on autonomic regulation in young children. Presentation given at Department of Psychology and Social Behavior Colloquium Series, University of California, Irvine.

**Ragland, S.** (March, 2008). Home visitation with families at risk for child maltreatment: Preventing parenting stress. Presentation given for the Child Abuse Prevention Center, Riverside, CA.

**Ragland, S.** (October, 2006). Self-conscious emotions as predictors of treatment readiness among women entering drug treatment. Presentation given at Caring Together Drug Treatment Program, Drexel University College of Medicine, Philadelphia, PA.

Llera, S., & **Ragland, S.** (March, 2004). Methods and techniques in longitudinal research. Guest lecture given to graduate research methods class at Rutgers University, Camden, NJ.

### Teaching

---

California State University, Northridge

- Abnormal Psychology (Psy 310)
- Statistical Methods in Psychological Research (Psy 320/L)
- Introduction to Psychological Testing (Psy 427)
- Proseminar in Professional Development (Psy 500)
- Multivariate Analysis by Computer and Lab (Psy 524/L)
- Latent Variable Analysis (Psy 534/L)

- Graduate Seminar in Research Methods (Psy 692)

CSU Workshop on Mathematics/Quantitative Reasoning Course Development (November, 2017)

- Workshops and presentations on redesigning statistics, precalculus, and quantitative reasoning courses. Held in Long Beach, CA.

CSU Teaching and Learning Symposium (October, 2016)

- Supplementary workshops and presentations focused on teaching within the CSU system. Held at San Jose State University.

University of California, Riverside: Instructor

- Statistical Analysis (Psy 011)

University of California, Riverside: Teaching Assistant

- Introductory Psychology (Psy 001)
- Statistical Analysis (Psy 011)
- Research Methods (Psy 012)
- Socio-Emotional Development (Psy 161)
- Abnormal Psychology (Psy 152)

University Teaching Certificate Program

- Supplementary instruction and workshops in teaching methods

## Service

---

### *Departmental*

2017 – Present	Educational policies committee, <i>Member</i>
2016 – Present	Student Opportunities for Success Committee, <i>Co-Chair</i>
2016	Applied Behavior Analysis Search Committee, <i>Member and Equity &amp; Diversity Representative</i>
2016	General Experimental MA Program Scholarship Sub-committee, <i>Member</i>
2015 – Present	General Experimental MA Program Committee, <i>Co-Director</i>
2013 – 2015	General Experimental MA Program Committee, <i>Member</i>
2015 – Present	Psychology Department New Faculty Orientation Committee, <i>Member</i>
2014 – 2017	Program for Professional Endeavors, <i>Coordinator</i>
2014 – Present	Awards Committee, <i>Member</i>
2014 – Present	Fundraising/Community Building Committee, <i>Member</i>
2014	Cognitive Psychology Search Committee, <i>Member</i>
2013 – 2015	Psi Chi Research Competition, <i>Judge</i>

### *College*

2017 – Present	Academic Planning Committee (Fall 2017 – Associate Chair)
2017 – Present	Administrative Council Member (APC Chair representative)
2016 – 2017	Graduation Rates Initiative, <i>Data Champion*</i>
2014	Graduation Ceremony, <i>Student Marshal</i>

### *University*

2017 – Present	Faculty Senate, CSBS representative
2017	Beck Grant Proposal Reviewer
2017 – Present	Data consultant, Center for Research and Evaluation (consulting for Physical Therapy department)
2016 – 2017	Graduation Rates Initiative, <i>Data Champion*</i>
2015 – Present	New Faculty Orientation Technology Tutor

2014 – Present Early Childhood Leaders Affinity Group, Institute for Community Health and Wellbeing, *Member*  
2014 Research and Creative Works Symposium, *Judge*

### *Community*

2011 – Present Ad Hoc Reviewer

- Developmental Psychology
- Child Abuse & Neglect
- Child Maltreatment
- Infant and Child Development
- Journal of Abnormal Child Psychology
- Journal of Clinical Child and Adolescent Psychology
- Journal of Family Psychology
- Emerging Adulthood
- Psychology of Violence
- Journal of Trauma and Dissociation
- Emotion
- Journal of Applied Developmental Psychology

\*Cross-listed
