All credential candidates:

1. One course from Category A is required for the Preliminary Credential. The Professional Clear Credential requires one course from Category B and one course from Category C.
2. One course from the three lists above should be concerned with the Chicano.
3. Substitution of other CSUN courses not on the list is generally not permitted.
4. Equivalent coursework from other institutions may be approved to meet this requirement. Submit a "Course Substitution Request" form with a course description for approval.
