

Brown Bag Film and Lecture Series

Monday, Oct. 5th and Thursday, Oct. 8th from 12:30-1:30 pm

Bring your lunch and enjoy the presentation!!

According to the National Institute of Mental Health, eating disorders affect over five million Americans each year. Between 5 and 20% will die from medical complications as a result. Join us as JADE (Joint Advocates on Disordered Eating) presents on eating disorders and their effects on the mind and body. Discover what JADE is all about and the role they play in peer education.
