 “1” = an area that appears to be a struggle or challenge for the teacher
 “5” = an area in which the teacher appears to be comfortable and confident

	1	2	3	4	5
1. Self-awareness: appraises strengths and needs (e.g. with the ability to articulate why these are areas of strength with clear examples, and how they contribute to student learning/outcomes); reflects on practices (e.g. what went well, what didn’t and identifies additional opportunities).					
Comments:					
2. Self-directed/self-improvement: actively seeks out opportunities for growth & development; is open to ideas/input from others					
Comments:					
3. Fortitude/Determination: continues to work toward changes when presented with challenges/barriers					
Comments:					
4. Collaboration/Communication: ability to work effectively with others/team of individuals					
Comments:					
5. Commitment to excellence – desire to implement the highest level of professional practices
