Assignment #8: Due by Wednesday, September 28th, 3:00 PM; turn-in to Dr. Stoffel (Cypress Hall 210). Turn in your assignment in person, to the envelope that is posted on my office bulletin board, to my faculty mailbox, or scanned & E-mailed (as a PDF).

Drill Chart Assignment #1 — Reading Chart Coordinates
Objective: Demonstrate the ability to read and plot coordinates on drill charts.

Part 1: Reading Plotted Positions

Correctly identify the coordinates for each of the seven points plotted on the drill chart found on the back side of this paper.

Dot “M”: side 1, 4 steps outside the 45 yardline, 4 steps behind the front sideline

Dot #1: ____________________ ,  ______________________________ , _____________________________

Dot #2: ____________________ ,  ______________________________ , _____________________________

Dot #3: ____________________ ,  ______________________________ , _____________________________

Dot #4: ____________________ ,  ______________________________ , _____________________________

Dot #5: ____________________ ,  ______________________________ , _____________________________

Dot #6: ____________________ ,  ______________________________ , _____________________________

Dot #7: ____________________ ,  ______________________________ , _____________________________

Part 2: Placing Points

Correctly place the following points on the drill chart found on the back side of this paper. (Use a dot for each of these.)

#8: Side 1, 2 steps outside the 30 yardline, 4 steps behind the back hash

#9: Side 1, 2 steps inside the 30 yardline, 4 steps in front of the front hash

#10: Side 2, 2 steps outside the 30 yardline, 4 steps behind the front hash

#11: Side 2, 2 steps inside the 45 yardline, 4 steps behind the front sideline

#12: Side 1, 4 steps outside the 30 yardline, 4 steps in front of the back sideline

#13: Side 1, 2 steps outside the 50 yardline, 1 step behind the front hash

#14: Side 2, 3 steps inside the 35 yardline, 5 steps behind the back hash
