

# **Midterm**

Week 9

# Announcements

- UWE and WebML
- Class progress reports
  - <http://www.csun.edu/~twang/595OSE/18070.pdf>

# Homework Assignment #8

- Read and summarize one of the three articles below. Create three “meaningful” questions about your article and answer three questions. Prepare to debate on the article.
  - <http://www.csun.edu/~twang/595OSE/HomeworkAssignments/HW8-1.pdf> (if your last name starts between “a” and “h”)
  - <http://www.csun.edu/~twang/595OSE/HomeworkAssignments/HW8-2.pdf> (if your last name starts between “i” and “q”)
  - <http://www.csun.edu/~twang/595OSE/HomeworkAssignments/HW8-3.pdf> (if your last name starts between “r” and “z”)
  - Due date: Oct. 27<sup>th</sup>

# Team Homework Assignment #6

- *“With enough eyeballs, all bugs are shallow.”*
- Exchange all other documents between team 1 and team 4, and team 2 and team 3, respectively.
- Inspect other team’s documents and fill out the review form
  - <http://www.csun.edu/~twang/595OSE/LectureSlides/ReviewForm.docx>
- Due date
  - The beginning of the Nov. 3<sup>rd</sup> lecture
