Graduate Entrance Exam (GRE) Subsidy Application

Advancing Professional Competencies of Graduate Nutrition Students in the Area of Lactation Education
College of Health and Human Development
California State University, Northridge

Through funds made available from the U.S. Department of Agriculture Hispanic-Serving Institution Education Grant Program, we are offering up to five \$400 GRE subsidizes to deserving undergraduate students who plan to apply for graduate programs in the field of nutrition and dietetics, and demonstrate financial need, excellence and promise. The deadline for applications is April 30, 2015 and decisions will be made by the end of May. Students awarded this stipend will be reimbursed the cost of either the GRE exam or a GRE preparation course. Subsidies will be awarded based on financial need and merit of the applicant.
