How to read this table: Go to the handout given in class which has your name, an issue topic which has a number next to it, and a group indicator (the letter A-H).

Find your group letter in the left hand column and then read across the row until you find the column with your 'issue number'.

The column indicates when your Issue Paper will be discussed with your group. Remember the Issue Paper is emailed to your group a minimum of 36 hours before your indicated discussion time.

Also – remember that on 2/19; 3/25; and 4/8 the discussions are on-line rather than face to face in the classroom.
