1.17) COMMENTS:

Course is difficult, Professor is fair and is willing to help students.

login to VPN is difficult at times and some of the soft ware that is access through CSUN server is difficult.

sys is complicated when accessing from home

Professor Schutte, you are truly amazing, Please continue teaching the way you do! Honestly, I received a low C in my Math 140 and in your class I've come to completely understand all the material!

You Rock - Team Cheetah!

I feel the instructor should breakdown the material in a more understandable fashion in addition to his manner of explaining the material.

Overall, I always have trouble w/math but what makes it difficult at times to understand material, is a lot of work is computerized. I like more the one on one with Professor.

Overall I enjoy the class but I would like you to put a ^{little} more time in explaining the homework assignments. Thank you for your hard work.

Great professor, very helpful, I think everybody in this class would agree with me, ~~and~~

Dr. Schutte is by far the greatest instructor here at csun. He makes sure all of his students do well and understand the material. I've never had a professor like him that truly cares about his students. I'm very happy I took this class with Dr. Schutte.

He is a great professor and shows to care for students to do good in class. Doesn't let student fail his class.

GREAT TEACHER!

Have more explanation on how to complete SPSS assignments
Also tell us what terms to really focus on because there are a lot in the book. But, overall thank you for making this class interesting.

Professor Schutte is always there to help out students.

Professor Schutte is one of the ~~best~~ best of my best
~~last~~ instructors that I have had at this campus.
I have really enjoyed taking this class.
