Really enjoyed the class overall. Instructor makes the subject very interesting.

Great professor, he really cares about his students.

A real class with a real professor.

I love this instructor - he really cares about his students & will go out of his way to ensure they succeed. I wish all instructors were like him!

Professor Schutte puts a lot of time into the students. He makes it very clear that he is here for us.

Cares about his students.

Takes time from his days off to come to school to help us out with anything we need help with. EXCELLENT PROFESSOR

Instructor strives to help students as much as possible (11)

I never thought I'd enjoy taking a Sat school! But I have come to truly enjoy this class and professor Jerry is the best prof I have had in my college career! I learn a lot.

I never came to love something that I've once hated and that's all because of professor Schutte. He makes the subject witty and very interesting. He explains things well and clear until you completely understand it. I recommend this class to all. Professor Schutte cares about his students and it shows.

Teacher is very smart, and has a great passion for the topics he teaches. good prof.

I've never seen a professor like this at CSUN, he really cares about his students and teaching the material very well. I've taken this class and failed it before with another professor which had poor qualities in teaching. But Professor Schutte is very clear and motivating over his subjects of teaching. Best professor I've ever had at CSUN!

I believe Prof. Schutte is an excellent instructor. He is very dedicated, & goes the extra mile.
