- Principal Investigator. “Foreign R&D in Shanghai, China”. Faculty Development Grant, California State University, Northridge. \$5,000. July 2002 – June 2003.
- Principal Investigator. “China’s National Innovation System in Transition.” The China Institute, California State University, Northridge. \$1,000. July 2001 – June 2002.
- Principal Investigator. “Regional Innovation Systems in China.” College of Social and Behavioral Science, California State University, Northridge. \$1,300. June 2001 – July 2002.
- Principal Investigator. “Mapping Empty Lots in Pacoima: The Potential for Developing to Recreational Spaces.” The Center for Community Service-Learning, California State University, Northridge. \$1,500. Spring 2001.
- Principal Investigator. “China’s National Innovation System, a First Look.” College of Social and Behavioral Science, California State University, Northridge. \$1,000. August 2000 – June 2001.

Project Participant

- Research Assistant. “Detection and Prediction of Changes in Spatial Pattern of Criminal Activities.” Funded by National Institute of Justice. PI: Peter Rogerson, Department of Geography, State University of New York at Buffalo. January, 1999 – July, 2000.
- Research Assistant. “Urbanization from Below.” Funded by Henry Lucy Foundation. PI: Lawrence J.C. Ma. Department of Geography and Planning, The University of Akron. January, 1995 – August, 1997.
- Research Assistant. “Economic Restructuring and Urban Development in Coastal China.” Funded by Social Science Academic of Jiangsu, China. PI: Gonghao Cui. Professor, Department of geography, Nanjing University, China. 1993 – 1995.
- Research Assistant. “Sea-level Rising and Coastal Economic Development in China.” Funded by National Foundation of Natural Science, China. PI: Mei-e Ren. Department of Geography, Nanjing University, China. 1992 -1995.

- Co-PI. “Urban Agglomeration in Jiangsu, China.” Funded by Social Academy of Jiangsu, China. PI: Gonghao Cui. Professor, Department of Geography, Nanjing University, China . 1992 – 1994.

TEACHING EXPERIENCE

Courses I have taught at California State University Northridge

- Graduate Seminar: Directed Graduate Research
- Graduate Seminar: Methods in GIS: Exploring ArcObjects
- Graduate Seminar: Economic Geography
- Intermediate Geographic Information System
- Advanced Geographic Information Systems
- Quantitative Geography
- Spatial Analysis
- Urban Geography
- Urban Field Survey
- China
- United States
- World Geography

Other teaching experience at Department of Geography, State University of New York at Buffalo

- GIS and Transportation Modeling, Lab instructor
- Cartography, Lab instructor
- Cartography and Visualization, Lab instructor
- Multivariate Statistics, Teaching assistant
- Map and Mapping, Teaching assistant
