Prerequisites. Passing scores on the Entry Level Mathematics Examination and on the Mathematics Placement Test.

Grading Policy. There will be three in-class exams plus a final cumulative exam. Homework will be collected. Class participation is expected and could improve your grade. The grading scheme is as follows.

2% Attendance
20% Class-work (Homework, quizzes and group assignments)
48% Four in-class exams (12% each)
30% Final Exam

The ± will be used when assigning final grades. 90% guarantees an A, 80% a B, 70% a C, and 60% a D.

In-class exams. Tentative dates are February 21st, March 16th, April 22nd, and May 16th.

Final Exam. Friday May 27th, 14:00-16:00. Location to be announced. This exam includes all topics covered during the semester.

Course Policies. Attendance is mandatory; attendance means on time attendance. Repeated absences will affect your grade. No late homework will be accepted and there will be no make-up quizzes. Group activities will not be announced in advance.
