FACULTY POSITION OPENING
CALIFORNIA STATE UNIVERSITY, NORTHRIDGE
Northridge, California 91330

Department: Biology  Effective Date of Appointment: August 19, 2015
Rank: Assistant Professor
Salary: up to $75,000
(Subject to Budgetary Approval)
(Dependent upon qualifications)

The University:
Serving more than 38,000 students each year, CSUN is one of the largest universities in the United States. CSUN ranks 10th in the country
in awarding bachelor’s degrees to underrepresented minority students, fifth nationally in awarding master’s degrees to Hispanic students
and enrolls the largest number of deaf and hard-of-hearing students of any U.S. state university. CSUN’s 171 academic programs and
engaged centers enjoy international recognition for excellence. CSUN currently partners with more than 100 institutions of higher
education in 22 countries around the globe and attracts the largest international student population of any U.S. master’s level institution.
Situated on a 356-acre park-like setting in the heart of Los Angeles’ San Fernando Valley, the campus features modern educational
buildings and world-class LEED Gold-certified performing arts and recreational facilities recognized as among the best in the country.
CSUN is a welcoming university that champions accessibility, academic excellence and student success.

CSUN is strongly committed to achieving excellence through teaching, scholarship, active learning and diversity. Our values include a
respect for all people, building alliances with the community and the encouragement of innovation, experimentation and creativity. CSUN
is designated as a Hispanic Serving Institution (HSI) and an Asian American, Native American, Pacific Islander Serving Institution
(AANAPISI) and we value the diversity of all of our students and the campus community. CSUN actively encourages qualified candidates
to apply who have experience working with students from diverse backgrounds and a demonstrated commitment to improving access to
higher education for under-represented students.

As an Equal Opportunity/Affirmative Action employer, CSUN strives to create a community in which a diverse population can work, teach
and learn in an atmosphere of civility and respect for the rights of each individual. We consider qualified applicants for employment
without regard to race, color, religion, national origin, gender, gender identity/expression, sexual orientation, age, disability, genetic
information, medical information, marital status, or veteran status. For more information about the University, check our website:
http://www.csun.edu/.

At time of appointment, the successful candidate, if not a U.S. citizen, must have authorization from the Bureau of Citizenship and
Immigration Services to work in the United States.

Qualifications:
California State University, Northridge invites applications for a tenure track Assistant Professor of Biology in Cellular or Molecular
Biology to begin Fall 2015. Candidates must hold a Ph.D. in the Biological Sciences or a related field, have postdoctoral
experience, teaching or TA experience and a strong commitment to scholarship at a diverse undergraduate and masters-level
university. Candidates whose research answers fundamental questions pertaining to eukaryotic cell biology and who use proteomics,
systems, computational, or molecular approaches are encouraged to apply. Applicants must demonstrate ability to effectively work with a
diverse student population.

Responsibilities:
The successful candidate is expected to develop and maintain involvement in a vigorous research program with extramural support, train
undergraduate and graduate (M.S.) students in research, provide effective instruction to students of diverse backgrounds in a multicultural
setting, and participate in departmental, college, and university service. Teaching responsibilities may include courses in introductory
biology, cellular biology, or a course in the candidate's specialized field.

Application Deadline:
Screening of applications will begin March 31, 2015. Priority will be given to applicants who meet the screening deadline. However, the
position will remain open until filled. In later phases of the search process, applicants may be requested to provide verification of terminal
degrees, licenses and certificates.

Inquiries and applications should be addressed to:
Applicants should submit a letter of application, curriculum vitae including a summary of teaching experiences, statements of teaching
philosophy and research interests, and up to three publications. Applicants should arrange to have three letters of recommendation sent to:
cellbiosearch@csun.edu or mail to the Cell Biology Search Committee Chair, Department of Biology, California State University,
18111 Nordhoff Street, Northridge, California 91330-8303.
General Information:
In compliance with the Annual Security Report & Fire Safety Report of Campus Security Policy and Campus Crime Statistics Act, California State University, Northridge has made crime-reporting statistics available on-line at http://www-admn.csun.edu/police/clery-report.pdf. Print copies are available in the library and by request from the Department of Police Services and the Office of Faculty Affairs. The person holding this position is considered a 'mandated reporter' under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.
Applicants who wish to request accommodations for a disability may contact the Office of Equity and Diversity, (818) 677-2077.
