Orientation

The NCOD Student Orientation facilitates the integration of new and transfer students who are Deaf or hard of hearing into academic, cultural, emotional and social climate of the University, to provide a transition to university life, and to familiarize them with the programs and services that provide communication access. During the retreat, new students will participate in getting-to-know-each-other activities and informative workshops ranging from academic issues to safety on campus. On the first day of Orientation, parents are invited to participate in workshops, meet other parents, and best of all, get to know the staff at NCOD.

Workshop topics include:
- Deaf CSUNians
- Deaf Culture
- Diversity & Your Identity
- Communication Access Services
- Campus Resource Hunt
- College 101 Crash Course
- Public Safety
- Student Learning Program-Tutoring/Mentoring
