2014 Staff Service Awards

The California State University Northridge 48th Annual Staff Service and Recognition of Excellence Awards Event will be held from 8:30 a.m. -11:00 a.m. Tuesday, June 3, 2014 in the Northridge Center Complex, University Student Union. This event recognizes employees who have achieved milestones in five-year increments of dedicated service to the University. Please review the following list of recipients. Should you have any questions, please contact Carla Turner at carla.turner@csun.edu.

Staff Service Awards are intended to honor employees working at ½ time or more with continuing appointments. Service as an emergency hire and/or hourly employee is not included in the calculation of eligibility for awards. Breaks in service of over one year result in a new eligibility period. The calculation for the Staff Service Awards is not the same as calculations for benefits such as State Service Months for CalPERS.
