Who We Are.

Valley Trauma Center (VTC) is a non-profit agency dedicated to the elimination of sexual assault, interpersonal violence and child abuse through healing, empowerment and increased public awareness of prevention strategies. We work with communities to provide quality crisis intervention and counseling services, trainings and prevention education to promote social change.

Join us for a Community Conversation to address the issue of child safety and explore ways to keep your children safe.

We look forward to hearing from you, our parent leaders.

Please RSVP by January 24th
