Purpose of Scholarships: The Summer Academic Program for Elementary School Students (SAPESS) serves elementary schools in the area surrounding the California State University campus in Northridge. Each year SAPESS determines how many scholarships to offer based upon a percentage of enrollment. In the last three summers, approximately 70 students have attended SAPESS on scholarships. The goal of SAPESS is to grow students in their academics, personal character, and to give them an enhanced sense of courage to pursue their unique talents and interests. Because the University does not subsidize SAPESS, it is financially self-supporting. However, we do not want the opportunity of attending classes on the CSUN campus to be limited to just families who can afford the tuition. SAPESS, therefore, provides opportunities for families to apply for scholarships

Scholarship Awards: The program fee for 2017 is $699. Financial Aid Scholarships are given in the amount of 50% of program fee ($349.50). All elective fees will be the responsibility of the family.
Award Criteria:
1. Applicant must be a registered student of SAPESS.
2. Applicant must be a CA resident.
3. Applicant must show proof of financial eligibility.

Application Process - Completed applications will include the following:
1. “2017 Application Form”.

3. “Statement of Accuracy”
