Course Overview:
The student will participate in a program of writing activities designed to develop the six writing traits, in order to improve the students' writing. Several writing genres will be practiced in a variety of assignments. Basic grammatical skills, proofreading, language development, editing, and the writing process are addressed and reinforced.

Course Description:
Class time will be spent on developing “voice” in writing, improving word choice and sentence fluency, grammar, punctuation, vocabulary, and paragraph development. As the student gains mastery of these skills, s/he will develop and support thesis statements, and write in numerous genres: narrative, argumentative and poetry. The student will also develop her or his own revision and editing skills.
