# Statement of Understanding

Having thoroughly read the "Code of Ethics for University Recognized Student Clubs and Organizations,”

**Club/Organization Name:**

hereby seeks official recognition status from California State University, Northridge. I affirm by my signature below that all members (and initiates) will be educated as to the contents of the aforementioned Code, as well as their responsibilities to uphold it. I also realize, and have educated my organization to the fact, that any violation of this Code of Ethics could result in my organization being suspended as a university recognized student club or organization, as well as possible personal judicial charges being brought against violators.
