Textbook: College Algebra, by Stewart et al. We will cover the following sections of the textbook:
• Chapter P: Sections 2, 4, 6, 7
• Chapter 1: Sections 1, 3, 4, 5, 6, 7
• Chapter 2: Sections 1, 2, 4
• Chapter 3: Sections 1, 2, 3, 4, 5, 6, 7
• Chapter 4: Sections 1, 2, 3, 4, 5
• Chapter 5: Sections 1, 2, 3, 4, 5
• Chapter 6: Section 1 (if time permits)

Homework: It will be assigned weekly. You will submit it in WebWorK. (Go to our course web page for the link.) Late homework is not accepted under any circumstances, but your lowest homework score will be dropped when computing your final grade.

Quizzes: There will be a short in-class quiz during some of the lectures. There will be no make-up quizzes, but the lowest quiz score will be dropped from your grade.

Exams: There will be two midterms exams and a cumulative final exam on the following dates
• First Midterm: Wednesday, March 8
• Second Midterm: Wednesday, April 26
• Final Exam: Saturday, May 20, 9–11 am

The Final Exam is common to all sections of Math 102.

Make-up Exams: There will be no make-up exams, except in cases of extreme emergencies or exceptional circumstances. You must notify me before the exam if you are going to miss it, and you must provide documentation supporting your request for a make-up. If the documentation is satisfactory, I may give the make-up. A make-up exam will consist of a written part and an oral part.

Calculators: Graphing calculators are not allowed. Scientific calculators are OK.
For exams or quizzes, bring your own calculator. I do not allow students to share calculators during exams or quizzes.
Grades: Your total score (out of 100 points) will be determined as follows

- 10% Homework
- 20% Quizzes
- 20% Each of the 2 midterms
- 30% Final Exam

Then your final grade is determined as follows:

- A if total score is 90 points or more,
- B if total score is between 80 and 89 points,
- C if total score is between 70 and 79 points,
- D if total score is between 60 and 69 points,

I will use +/- when assigning your final grade.

Tutoring: Help is available on Campus at several places
