First-Time Registration

Before You Begin you will need:

- A 10-Digit Course Code provided by your instructor
- A 20-Digit Student Access Code purchased in the bookstore. This code can also be purchased online as a part of this registration process.

Go to the ALEKS website for Higher Education Math by typing in the following address:

http://www.aleks.com

Click on “SIGN UP NOW!”

Enter your 10-digit “Course Code” and click “Continue:

Step 1: Confirm and Click “Continue”:

Step 2: Enter your 20-digit Access Code and click “Continue”
Step 3: Enter Your Personal Information
Read the Agreement and click “Continue”

Step 4: Account Creation, record your Login name and Password, click “continue”

Step 5: Registration Complete
Click “Continue”

Step 6: Checking for Plug-ins

That’s it; you have now completed your ALEKS Registration and downloaded the Plug-ins. You will be directed to the Answer Editor Tutorial.

Remember you only REGISTER in ALEKS once. After that to enter ALEKS you simply LOG-IN with your personal log-in name and password.
