Chapter 14, Section 1
HISTORYMAKERS

Lenin

Possible responses:

1. Lenin’s idea of strict party obedience to the leader ignores the danger posed by a party leader who has wrong or harmful ideas.

2. The Germans allowed Lenin and others to return because they probably felt that any instability they could cause for Russia would only benefit themselves.

3. Lenin first had to convince the party to support his idea of the revolution, then he had to convince it to act at a particular time to overthrow the provisional government, and he had to do all this while spending many years in exile.
