GRADING CRITERIA
Team Building Trust Exercise

If everyone in the team did not meet face-to-face and participate in the discussion, it is an automatic F. Otherwise, you will be graded on the following five criteria. The most criteria are items 4 and 5:

1. Icebreaker – Was it fun and innovative?

2. Effort – Did the group make a sincere or superficial effort to get to know each other?

3. Similarities and differences – Has the group clearly identified their similarities and differences?

4. Undiscussables or difficult issues – Did the team make a good faith effort to identify areas that will give them problem and made sure that these areas will be dealt with by the team in the future?

5. Report – Was the presentation insightful and showed reflection on the part of the team?
