## ASSISTIVE TECHNOLOGY CONFERENCE

**MARCH 18 - MARCH 22, 2024**  
**ANAHEIM MARRIOTT**  
**ANAHEIM, CALIFORNIA**

The CSUN Assistive Technology Conference is the premier global forum that showcases cutting edge technology and practical solutions for an inclusive society where all persons of all abilities have the chance to achieve their goals and experience success. The conference is the longest-running and only university-sponsored event of its kind in the world and draws more than 4,500 people annually from all around the globe.

The Conference has provided an inclusive setting for researchers, practitioners, exhibitors, end users, presenters and other participants to share knowledge and best practices in the field of assistive technology for over 38 years.

The Exhibit Hall at the CSUN Conference hosts a global representation in a wide range of AT needs in some of the following categories:

- AAC
- Agencies/Services
- Alternative Input/Keyboard Devices
- Artificial Intelligence/Machine Learning
- Assistive Mobility
- Blind/Low Vision
- Cognitive
- Daily Living
- Deaf/Hard of Hearing
- Educational Software
- Learning Disabilities
- Software
- Telecommunications Devices
- Virtual Reality/Augmented Reality/Mixed Reality

The Exhibit Hall is FREE and open to the public as well as conference participants.

Exhibitors are welcomed to submit presentations for review as part of conference sessions during our General Call for Presentations. A special link will be provided to participating Exhibitors and the deadline to submit is Tuesday, September 26, 2023 at 3:00 pm Pacific Time.

Additional marketing opportunities are also available to our Exhibitors through Sponsorship opportunities, Advertising in our Conference Program or Exhibit Hall Guide and Bag Inserts.

We encourage you to join us as one of our exhibitors who are leading the way in the field of assistive technology and accessibility.
