

Table 3 Estimating and Measuring Distance

<i>Assumption based on observation.</i>	<i>Measurement to the nearest tenth of a millimeter.</i>			<i>Conclusion based upon measurement.</i>
Which appears the tallest? A B C	Pole A	Pole B	Pole C	Which pole is the tallest? A B C
Which line appears longer? DF GE	DF	GE		Which line is longer? DF GE
Do the tracks appear parallel? yes no	width at H	width at I	width at J	Are the tracks parallel? yes no
Which line appears longer? KL LM	KL	LM		Which line is longer? KL LM
Which line appears longer? NO PQ	NO	PQ		Which line is longer? NO PQ
