

Disability Documentation – Physical Disability

The student named below may be eligible for academic accommodations provided through the Disability Resources and Educational Services (DRES) office. To authorize these services, we must have written verification of the student’s disability from their practitioner. The information provided by you will not appear in the student’s academic record, will remain confidential in DRES, and will not be released to other persons unless instructed to do so by the student or permitted by law.

Please note: Student medical records supplied to this office constitute “education records” under the Family Education and Privacy Act (FERPA) and as such, may be reviewed by the student upon written request.
