

California State University  
**Northridge**

College of Health and Human Development

**Dean's List: Spring 2012**

Dean Sylvia A. Alva

The Dean's List names students in the college who achieved a GPA of 3.5 or higher in 12 units of graded classes. The list is renewed each semester. This is the Spring 2012 list.

\*Following publication of the list below, it was brought to our attention that the names of some Kinesiology students had been inadvertently omitted. The names appear as an addendum at the bottom of this list.
