2015 Staff Service Awards

The California State University Northridge 49th Annual Staff Service and Recognition of Excellence Awards Event will be held from 8:30 a.m. -11:00 a.m. Tuesday, June 2, 2015. This event recognizes employees who have achieved milestones in five-year increments of dedicated service to the University. Please review the following list of recipients. Should you have any questions, please contact Heather Kennedy at Heather.Kennedy@csun.edu

Staff Service Awards are intended to honor employees including the valuable service provided by our long time hourly, emergency hire, and less than ½ time employees. Breaks in service of over one year result in a new eligibility period. The calculation for the Staff Service Awards is not the same as calculations for benefits such as State Service Months for CalPERS.
