

Dean's List, Fall 2015
Tami Abourezk, Interim Dean

The Dean's List names students in the college who achieved a GPA of 3.5 or higher in 12 units of graded classes.

A new list is posted several weeks following each semester, after grades have been officially recorded by CSUN Institutional Research. This is the fall 2015 list.

If you believe your name should be on this list and it is not, please contact the academic department for your major.
