

Dean's List, Spring 2016
Farrell J. Webb, Dean

The Dean's List names students in the college who achieved a GPA of 3.5 or higher in 12 graded classes.

A new list is posted several weeks following each semester, after grades have been officially recorded by CSUN Institutional Research. This is the spring 2016 list.

If you believe your name should be on this list and it is not, please contact the academic department for your major.

Tami Abourezk was serving as interim Dean during the spring 2016 semester reflected below.
