

## 2016-17 ACADEMIC YEAR CALENDAR OF PERSONNEL PROCEDURES

(approved 6/24/2016)

### The following are deadline dates.

Note: All recommending agencies are reminded that Article 11.4 of the Faculty Collective Bargaining Agreement requires that any material to be placed in a Personnel Action File must be provided to the affected faculty member at least five days prior to such placement.

Article 15.5 of the Faculty Collective Bargaining Agreement is also relevant and is quoted in its entirety as follows:

At all levels of review, before recommendations are forwarded to a subsequent review level, faculty unit employees shall be given a copy of the recommendation and the written reasons therefore. The faculty unit employee may submit a rebuttal statement or response in writing and/or request a meeting be held to discuss the recommendation within ten (10) days following receipt of the recommendation. A copy of the response or rebuttal statement shall accompany the Working Personnel Action File and also be sent to all previous levels of review. This section shall not require that evaluation timelines be extended.

In addition, Section 635.2.2 of the CSUN *Administrative Manual* states (in part) that “A copy of the written evaluation and recommendation shall be placed in the faculty member’s campus mailbox and otherwise made available upon request ten (10) calendar days before it is placed in the Personnel Action File and is sent to each of the other recommending agencies.”

The approved calendar sets forth dates by which actions must be taken by Personnel Committees, Department Chairs, and Deans, often with a specified deadline date "or earlier." Please note that Departments and Colleges may establish earlier deadlines for the dates when they begin deliberations on retention, tenure, and promotion, for the dates that recommendations must be made available to the candidates, or for other personnel matters.

For reappointment for the 2017-18 academic year, if all recommendations for a faculty member in the third year or the fifth year of probation are positive, then reappointment is determined at the time the College-level recommendations are placed in the Personnel Action File.
