

Dean's List, Spring 2017

Farrell J. Webb, Dean

The Dean's List names students in the college who achieved a GPA of 3/5 or higher in 12 graded units of classes during the semester. This is the spring, 2017 list (revised/updated May 2018).

A new list is posted several weeks following each semester, after grades have been officially recorded by CSUN Institutional Research and provided to the college. This is your source for notification; the college does not send notification letters to students.

If you believe your name should be on this list and it is not, please contact Vana Khachatourian in [CSUN Institutional Research](#) directly.
