

Dean's List, Spring 2019

Farrell J. Webb, Dean

The Dean's List names students in the College who achieved a GPA of 3.5 or higher in 12 graded units of classes during the semester. This is the spring, 2019 list.

A new list is posted several weeks following each semester, after grades have been officially recorded by CSUN Institutional Research and data has been provided to the College. The College of Health and Human Development does not send notification letters to students whose names are posted on the Dean's List.

If you believe your name should be on this list and it is not, please contact [Vana Khachatourian](#) in the [CSUN Office of Institutional Research](#).

The Dean's List names students in the College who achieved a GPA of 3.5 or higher in 12 graded units of classes during the semester. This is the Fall, 2018 list.

A new list is posted several weeks following each semester, after grades have been officially recorded by CSUN Institutional Research and data has been provided to the College. The College of Health and Human Development does not send notification letters to students whose names are posted on the Dean's List.

If you believe your name should be on this list and it is not, please contact [Vana Khachatourian](#) in the [CSUN Office of Institutional Research](#).
