I need to focus on learning the technology (e.g. Canvas, Zoom, etc.) in a short focused program.

Mix and match these with other programs to get exactly what you need.

---

**Recommended Programs**

**BOOTCAMPs**
90 - 120 mins each  
Stipend: $100 - $150 per Bootcamp series

**ASSIGNMENTS**
Covers the core tools used to assess student work

**QUIZZES**
Covers the nuances of the quiz feature in Canvas

**ENGAGEMENT**
Covers technologies to promote student engagement

**LECTURE RECORDING**
Covers everything you need to produce high-quality video

**VIRTUAL MEETINGS**
Create stellar online lectures with Zoom

**LEARNING ANALYTICS**
Leverage student data to perform early interventions and engage the class more meaningfully

**ACCESSIBILITY**
Covers best practices, tips, core tools and campus resources to make course materials more accessible

---

I’m ready to integrate technology PLUS pedagogy in a hybrid program OR I prefer to dive into a technology-only synchronous intensive program

---

**RECOMMENDED PROGRAMS**

**GET UP TO SPEED WITH ONLINE TEACHING (GUTS)**
JUNE 1 - AUGUST 1, 2020  
Stipend $200  
A pedagogy PLUS technology program available all summer, done at your own pace with optional synchronous sessions where experts help you along

**ZERO TO ONLINE 1.5 WEEKS**
Stipend: $500
This nine-session series covers all the core proficiencies to use instructional technology to teach in a virtual environment. Each day covers a new set of topics and includes hands-on activities

**BOOTCAMPs**  
(Same as First Column)

---

**RECOMMENDED PROGRAMS**

**SUMMER eLEARNING INSTITUTE**
JULY 1 - AUGUST 1, 2020  
Stipend $750
Ready to focus on the pedagogical quality when building your fall course using Quality Learning & Teaching (QLT) standards? Work with a faculty mentor to get personalized feedback in asynchronous and optional synchronous sessions

**EFFECTIVE ONLINE TEACHING PRACTICES**
FALL 2020 - SPRING 2021  
Stipend: $1000
Already know how to build an online course and prefer guidance next year in a faculty learning community? Explore evidence-based pedagogies (active learning, equity, learning-centered teaching) & earn a certificate in Effective College Instruction
