2020 Staff Service Awards - Honorees

The 54th Annual CSUN Staff Service and Recognition of Excellence Awards Event has been postponed and will be rescheduled once the current situation allows. This event recognizes employees who have achieved milestones in five-year increments of dedicated service to the University. Please review the following list of recipients. Should you have any questions, please submit the [2020 Staff Service Award Honoree List Inquiry Form](#).

Staff Service Awards are intended to honor employees, including the valuable service provided by our long time hourly, emergency hire, and less than ½ time employees. Breaks in service of over one year result in a new eligibility period. The calculation for the Staff Service Awards is not the same as calculations for benefits such as State Service Months for CalPERS.
