Additionally, I am pleased to share with you that CSUN is a 2020-2021 institutional member of the [Network for Change and Continuous Innovation \(NCCI\)](#). As such, we have secured unlimited free registration to participate in NCCI's 2020 Annual Conference which will take place virtually, July 8–9, 2020; 8 a.m. – 2:30 p.m. each day.

The Network for Change and Continuous Innovation was originally formed as the National Consortium for Continuous Improvement in 1999 by national leaders in continuous improvement, organizational development, planning, quality, institutional effectiveness and related areas. **The organization's vision is to be the premier network for change leaders in higher education.** NCCI members are addressing critical issues facing higher education by converting policies and ideas into action and results. Our involvement with NCCI enables us to improve our institution through collaboration and sharing.

Attendees typically come from a wide variety of roles across campus. This includes faculty, administrators, and staff in departments like HR, Project Management, Planning, Finance, Technology, Continuous Improvement, Shared Services, Organizational Development, Student Affairs, Facilities, Strategic Initiatives, and many more. This opportunity is available to all of the above – please share it with your staff and colleagues who may benefit from such an opportunity. Details on the conference and registration (which ends July 6th) are on the attached flyer.

Best,
Kristina
