You'll learn about:

- **COVID-19 vaccine updates** — Insight on how effective vaccines are, how safe they are, and where you can get one
- **Vaccines: Focus on Your Questions** — Frequently asked questions related to side effects, vaccine safety, common myths, and continued safety protocols

If you have questions and concerns about the coronavirus vaccine, you're not alone. Join us for this live webinar with **Dr. John Rott**, Regional Assistant Medical Director at Kaiser Permanente, as he addresses several of the most frequently asked questions we've received related to the vaccine.
