The Federal Parent PLUS loan is a low-interest loan available to parents of dependent undergraduate students. These loans are not subsidized by the federal government therefore repayment begins 60 days after the full amount that you've borrowed for the academic year has been disbursed. The student must be enrolled at least half-time and be making Satisfactory Academic Progress towards her/his degree in order for the parent to obtain a Federal Parent PLUS Loan. The PLUS loan award is subject to a credit decision from the Department of Education. The addition of a PLUS loan to a student's award package does NOT guarantee the PLUS loan will be approved. For general information on PLUS loans including loan limits and interest rates, go to <https://studentaid.ed.gov/sa/types/loans/plus>.

By signing below the borrower and the student confirm that they have read and understand all of the following: The information on this form is true and complete to the best of my knowledge. By signing this form, the borrower authorizes CSU, Northridge to process a Federal Direct PLUS Loan for the loan amount indicated to pay the student's educational expenses for his/her attendance at CSU, Northridge during the 2021-22 academic year.

1) The borrower may be eligible for a lesser amount. 2) The loan will be disbursed in equal amounts for each term or payment period. 3) The electronic transfer of the PLUS funds will be applied toward the student's registration fees FIRST and then other University charges including, but not limited to, on-campus housing, short-term loan repayments and past-due university obligations. 4) It is not mandatory to request a PLUS loan. 5) The loan must be repaid according to the conditions of the signed promissory note.

Changes in the student's academic, housing, or California residency status and any additional resources received including but not limited to, loans, scholarships, stipends, and grants from outside sources MUST be reported to the Financial Aid & Scholarship Department. Changes may result in a reduction of awards and a balance due to CSUN. If the student withdraws or drops classes, repayment may be required. Cancellation of the PLUS Loan and any refund to which borrower may be entitled will first be remitted to the Direct Loan Servicer.

As a financial aid recipient, the student has read and understands their rights & responsibilities, enrollment requirements and the Satisfactory Academic Progress policy as outlined in the CSUN Award and Planning Guide available at <http://www.csun.edu/financialaid/award-and-planning-guide>.

If the student is a credential student, she/he must be enrolled in a post baccalaureate program that consists of the courses required by the state of California to receive professional certification or licensing credential necessary for employment as a teacher in an elementary or secondary school in California and does not lead to a graduate degree. The student must be pursuing an initial teacher certification or licensing credential.

If the student does not receive sufficient financial aid to cover all charges, the student is responsible for paying any unpaid portion to University Cash Services. The student's ability to enroll in classes and University services may be withheld if these charges are not paid.

Money received under the Title IV student financial aid programs, including PLUS loans, may be used only for educational expenses related to the student's attendance at California State University, Northridge.

I, the parent borrower, certify that at the present time I do not owe a refund or repayment to any institution on any Title IV grant, that I am not currently in default on any Title IV loan, and have not borrowed in excess of the Title IV loan limits, at any institution.

I, the parent borrower understand that before CSU Northridge can release any PLUS Loan funds to be applied to student's account, I must complete the PLUS Entrance Counseling and may have to complete PLUS Master Promissory Note. Both items can be completed at <https://studentaid.gov>.

I consent to the U.S. Department of Education and its agents obtaining a report of my (the parent-borrower) credit record and using the information from that report in determining whether to make a PLUS Loan to me (the parent-borrower).
