

Dean's List, Spring 2022
Mechelle Best, Interim Dean

The Dean's List names students in the College who achieved a GPA of 3.5 or higher in 12 graded units of classes during the semester. **This is the Spring 2022 list.**

A new list is posted several weeks following each semester, after grades have been officially recorded by CSUN Institutional Research and data has been provided to the College. The College does not send notification letters to students whose names are posted on the Dean's List. Only primary academic majors are shown, but this list may also include names of students for whom HHD is a secondary major.

If you believe your name should be on this list and it is not, please contact your [Academic Department](#).
