## Opening Keynote Announced!

# AI IN JULY<sup>®</sup>

Register Here

Join us for our opening keynote MJ Jabbour  
Monday, July 8th at 9:30AM.

MJ Jabbour is the Chief Innovation Officer for Microsoft Education. Throughout his 20+ years in technology, MJ has led numerous digital transformations and operational mergers. In his current role at Microsoft, MJ leverages his experience and passion for making a positive impact through advancements in education.

### AI in July will feature other ways to engage including:

- More amazing keynote sessions
- CSU Campus Showcases
- Microsoft Prompt-a-Thon
- Weekly AI Prompt Challenges
- And more!

**Stay tuned for more AI in July sessions!**
