About the Master of Science Degree in Athletic Training (MSAT) and the Department:

The extensive curriculum of the Master of Science Degree in Athletic Training (MSAT) prepares students to be equitable and inclusive health care providers who will provide high quality care in multiple employment settings. The MSAT at CSUN is scheduled to accept its first cohort, summer 2022. The program is a 2-year, 6-semester, 64-unit degree program. We have a diversity of clinical sites throughout Los Angeles and Ventura counties that include 4-year institutions, community colleges, high schools, rehabilitation clinics and hospitals. Diversity of students enrolled in the MSAT mirror CSUN's demographics, with most students being first generation college and from a diversity of races/ethnicities.

The department of Kinesiology at CSUN is at the forefront in the study of human movement. We offer a comprehensive education toward the Bachelor and Master of Science degrees with the newest and most comprehensive facilities in the CSU system.

The department is a community that educates and inspires its students to understand and appreciate human movement for personal expression and wellness throughout the lifespan. In doing so, students and faculty work together to improve the quality of life for them and their community; the department values and respects the spectrum of human diversity. An integrated approach to the teaching, learning, and application of human movement provides opportunities and experiences to achieve the department's student learning outcomes.

The diversity of courses within our core curriculum prepares the student for study leading to expertise in one of five areas of focus for academic options. These options are Applied Fitness, Dance, Exercise Science, Physical Education, and Sports Studies. The Department of Kinesiology also offers two Master's of Science Degrees: 1) Kinesiology with areas of study in Adapted Physical Activity, Biomechanics, Dance, Exercise Physiology, Motor Behavior, Pedagogy in Physical Education, and Sport Studies; and 2) Master of Science Degree in Athletic Training.
