Position:

The department of University Counseling Services at California State University, Northridge (CSUN) is seeking a counselor to serve as a Staff Counselor/Psychologist in the Student Services Professional, Academic-Related I level. The position is a temporary, 12-month position, with a possibility of yearly renewal.

The successful candidate will provide clinical services to a diverse population of university students and **serve as a liaison to first generation college students, transfer students, and/or parent-scholars.** Working under the general supervision of the Director of University Counseling Services (UCS), the Staff Counselor/Psychologist collaborates with faculty, staff, and students to develop and implement appropriate campus/community psycho-educational programs and interventions to increase student academic and personal success. Provides clinical assessment, short-term individual and couples counseling, group psychotherapy, structured psycho-educational workshops, triage/urgent care services, and clinical case management. Provides general outreach programs and interventions to the campus community in addition to programming specifically to first generation college students, transfer students, and/or parent scholars. Provides consultation to faculty, staff, and various campus constituencies regarding students with mental health concerns. Participates in the department's training programs, including provision of supervision and training, as needed. Serves on university committees as requested, and performs other duties as assigned. Attends UCS staff meetings, case conferences, trainings, and retreats. Maintains ethical and timely documentation of all clinical work in electronic medical record keeping system.

This position may include the provision of telemental health services and/or remote work.

The successful candidate will be held to the standards and requirements of the college and department in which they are housed.

Required Qualifications:
