Three Minute Oral Presentation

Students that select this presentation format must present their research or creative works within 3 minutes in a language appropriate to judges outside of their academic discipline.

Students will be Judged by the following criteria:

- Delivery
- Content
- Organization
- Enthusiasm

Things you need to know:

- Students will be allotted 6 minutes (3 minutes for their presentation, 2 minutes for Q&A and 1 minute for equipment removal and preparation).
- Presenters can use up to 3 PowerPoint slides during their presentation.
- If prerecorded audio and visual materials are being used during the presentation, they should be embedded into the presentation and will be counted towards the 3 allotted slides.
- A laptop will not be provided for the presentation.
- An LCD projector and adaptor will be available in the presentation room. If you are presenting with an Apple (mac) laptop, please make sure to bring your own adaptor.
